NEED YOUR HELP

Since at least 2012 we have been dealing with extremely loud noise coming from Freed Enterprises, as well as a dumpster where metal rims are dropped at all hours in the Cloverleaf Business area.

My efforts over the years have had little effect, however, one of our residents wrote an editorial to the Capital Gazette and received a call from Pat Daly, constituent from AA. Co. Executive Steve Schuh's office.

Those who had written a letter of complaint were invited to meet with Mr. Daly on Dec. 17th. He is very interested in helping to resolve the problem and talked about a future meeting. How about you? Are you affected by the noise coming from the Cloverleaf businesses? The more voices we have the better chance we will have in being heard and make changes.

There will be a Community Town Hall Meeting at Freetown Elementary on February 9th if you should want to join us there. If you can't go, please write a letter to Mr. Daly and drop by the office so that you can be represented by letter. Let us know if you want to be involved!

AVAILABLE

I have a 5 gal. container of **black roofing material** to anyone who could use it. Please contact the office. Also, **information on dental discounts** is available in the office.

EVERYONE'S A WINNER!

This year's Caroling on Dec. 13 left everyone a winner. Radio station 95.1 Shine FM donated Chick-fil-a sandwich cards to every resident.

The Espey's on Lot #26 won 1st place for best decorations, and Mike Dorsey Lot #5 took 2nd place. Thank you all for making the park a little brighter for the season.

\$25 Gift Card winners, supplied by Gordon Clement, also went to: Lot 20 Harris, 42 Philip, 55 Boisvert, 58 Beaver, 62 Ernest, 72 Mijolovic, 100 Kurtz, 105 Caldwell, and 107 Titus.

It was a treat having 31 carolers this year! Thank you if you sang with us, decorated, or just heard us sing to you. Thank you to those who shared goodies with us; not necessary but appreciated! We had a record number of folks turn up and were happy to have extra residents sing with us this year!
