WELCOME NEW RESIDENTS

Lot #103 Bob & Cynthia Clark
Lot #104 Sidney Ford moving in
Soon!

So long to George Chatham #103 and Mabel Gillespie #104, who are moving out-of-area. Our deepest sympathies go to the families of Rosalea Kessler, Lot #24 and Sharon Winfield, Lot #40, whom we recently lost in death. Life is short, folks; be kind to your neighbors! One day it will be our turn!

SOLICITORS

As usual, solicitors have already been attempting to go door-to-door this spring. The Direct Energy Co. has been given notice that we do not want them in the park, they have removed us from their list; IF they should bother us again, you have the right to call the police. My best advice is to not open the door to anyone you do not know; keep your outside door locked always. This time of year also brings out so-called improvement companies as well.

UP-COMING FLEA MARKETS

Free—April 9th Annapolis EVP Church; Free- April 23 Severna Pk EVP Church. Not Free-May 7th UM Church on Benfield Road.

MEAP FORMS DUE SOON!

If you use the MD Energy Assistance Program, the deadline is May 31st this year. I have a copy of an application in the office with the guidelines. Or you can go to 117 Delaware Ave. in Glen Burnie, or you can obtain it online at: www.dhr.maryland.gov/ohep. Eligibility is based on income. If you qualify for MEAP, you may also qualify for the Weatherization Program as well, which evaluates your home and at times has replaced doors, windows, heaters, etc., for free to make your home more energy efficient.

CLASSES FOR IPHONE USE

If you are new to using an iPhone or Samsung, Rick Reed, a rep with AT&T is setting up classes to give you lessons. \$25 per class. He recommends 4 classes at \$25 ea., but not necessary. You can take just one class to get the basics. Call Rick at 443-562-4820 or 410-582-0540 or stop in at 404 George Clauss Blvd. in Severn.

SPRING CLEAN-UP!

Evidence of spring is showing up and it's inspection time again! Inspections will be done between May 15th and the first of June. We make note if your home needs to be power washed, anything needs painted, holes in your skirting that need repaired, too much clutter on your porch, etc. Notices will go out with a specific time frame to make improvements. Extensions can be granted under certain circumstances if need be. If you receive no notice, all is well with your home. A resource book is available in the office of businesses who can help. It's important that our community keeps a good appearance. Thank you in advance!

I am noticing more and more cars parking in the grass on their lots. This can be a fire hazard and unless you are temporarily unloading your car, please return it to the street.
